

My Story

B.o.B

A little girl from North Island
Thinking back when it all started
 I always had big dreams
 Wanna be a superstar
 Said I was touched by God
Now I can tell the world all about
 My life, my heart
 My story, my everything
 To all of you is all of me
 My story, my everything
 My life, my heart
 My story, my everything
 To all of you is all of me
 My story, my everything
 My life, my heart, my story
 The answer to the calling
Now the whole world can see
 They will know about me
Shout it from the highest mountains
 Into the valley lows
 In each and everybody
 There is a Lil' Mo
They gotta know about me
 They gotta feel the love
 I gotta show 'em all
From the biggest to the small
From the bottom of my heart
 To the depths of my soul
How I made it through the fire
 And came out pure as gold
 My life, my heart
 My story, my everything
 To all of you is all of me
 My story, my everything
 My life, my heart
 My story, my everything
 To all of you is all of me
 My story, my everything
I'm giving you me, everything of me

My whole story I hope that you will see
The life I'm living, my heart I'm giving
 Myself into you everything of Mo
 I'm giving you me, everything of me
 My full story I hope that you will see
From the bottom of my heart to the depths of my soul
All I have to go through the fire to come out pure as gold
 My life, my heart
 My story, my everything
 To all of you is all of me
 My story, my everything
