I Want To Be More Like Jesus

Keith Green

As each day passes by, I feel my love run dry
I get so weary, worn and tossed 'round in the storm
Well I'm blind to all His needs and I'm tired of planting seeds
I seem to have a wealth of so many thoughts about myselfI want to, I need to, be more like Jesus
I want to, I need to, be more like HimOur Father's will was done by giving us His Son
Who paid the highest cost, to point us to the cross
And when I think of Him taking on the whole world's sin
I take one look at me compared to what I'm called to beI want to, I need to, be more like Jesus
I want to, I need to, be more like Him
Remember, there's no greater love
Than to lay down your life for a friendThe end of all my prayers is to care like my Lord cares
My one and only goal, His image in my soul
Yes, my weakness is revealed when by His stripes I'm healed
He's faithful and He's true to complete the work He begins in youI want to, I need to, be more like Jesus
I want to, I need to, be more like Him
Remember, there's no greater love
Than to lay down your life, no
There's no greater love than to lay down your life
For a friend, for a friendI want to, I need to, be more like Jesus
I want to, I need to, be more like Him
I want to, I need to, be more like Jesus
I want to, I need to, be more like Him
I want to, I need to, be more like Jesus
I want to, I need to, be more like Him
