

Good Day

The Dresden Dolls

So you don't wanna hear about my good song?
You don't wanna hear about how I am getting on
With all the things that I can get done
The sun is in the sky and I am by my lonesome
So you don't wanna hear about my good day?
You have better things to do than to hear me say
God, it's been a lovely day, everything's been going my way
I took out the trash today and I'm on fire
So you don't wanna hear about my good friends
You don't have the guts to take the truth or consequence
Success is in the eye of the beholder
And it's looking even better over your cold shoulder
I'm not suggesting you get to line me up for questioning
But Jesus think about the bridges you are burning and I'm betting
That even though you knew it from the start
You'd rather be a bitch than be an ordinary broken heart
So go ahead and talk about your bad day
I want all the details of the pain and misery

That you are inflicting on the others
I consider them my sisters and I want their numbers
God, it's been a lovely day, everything's been going my way
I took up croquet today, I'm on fire
I picked up the pieces of my broken ego
I have finally made my peace as far as you and me go
But I'd love to have you up to see the place
I'd like to do more than survive, I'd like to rub it in your face
Hey, it's been a lovely day, everything is going my way
I had so much fun today and I'm on fire
God, it's been a lovely day every thing's been going my way
Ever since you went away, hey, I'm on fire
I'm on fire, I'm on fire, I'm on
I'm on fire, I'm on fire
I'm on fire, I'm on
So you don't wanna hear about my good day?
