Playgirl (Simian Playboy Mix)

Ladytron

Playgirl, why are you sleeping in tomorrow's world?
Hey, playgirl
Playgirl, why are you dancing when you could be alone?
Hey, playgirl
Playgirl, why are you sleeping in tomorrow's world?
Hey, playgirl
Playgirl, choking on cigarettes won't get you along
Hey, playgirlHey playgirl, hey playgirl
Northern lights catch you coming down
Sleep your way out of your hometownPlaygirl, why are you sleeping in tomorrow's world?
Hey, playgirl
Playgirl, why are you dancing when you could be alone?
Hey, playgirl
Playgirl, why are you sleeping in tomorrow's world?
Hey, playgirl
Playgirl, choking on cigarettes won't get you along
Hey, playgirlHey playgirl, hey playgirl
Northern lights catch you coming down
Sleep your way out of your hometown
Hey playgirl, hey playgirl
Northern lights catch you coming down
Sleep your way out of your hometownHey playgirl, hey playgirl
Northern lights catch you coming down
Sleep your way out of your hometown
Hey playgirl, hey playgirl
Hey playgirl, hey playgirlForeign coin on a telephone box
A question mark on a calendar
An empty seat on the alpha line
A sorting code, an account numberHey playgirl, hey playgirl
Northern lights catch you coming down
Sleep your way out of your hometown
