

# The Last Fight

## Bullet for My Valentine

I don't wanna stand beside you  
I'm gonna try and feel the pain  
You're going through  
'Til the death you've seen is through  
Cold sweats, hallucinations  
I wanna speed to stop the hell  
I'm going through  
The addiction's taking you  
Can you see me through bloodshot eyes?  
Should I fight for what is right or let it die?  
Now I'm choking on force fed lies  
Do I fight or let it die?  
I will fight one more fight  
Don't break down in front of me  
I will fight, one more fight  
I am not the enemy  
I will try one last time  
Are you listening to me?  
I will fight the last fight  
I am not your enemy  
Everyone is sick of caring  
No silver lining  
On the cloud that covers you  
Let it pour and soak you through  
No hope, just desperation  
So sit and wait for death  
And pray it takes you soon  
The addiction's taking you  
Can you see me through bloodshot eyes?  
Should I fight for what is right or let it die?  
Now I'm choking on force fed lies  
Do I fight or let it die?  
I will fight one more fight  
Don't break down in front of me  
I will fight, will you fight?  
I am not the enemy  
I will try one last time  
Are you listening to me?  
I will fight the last fight  
I am not your enemy  
Can you see me through bloodshot eyes?  
Should I fight another night or let it die?  
Now I'm choking on every lie  
Do I fight or let it die?  
I will fight one more fight  
Don't break down in front of me  
I will fight, really fight  
I am not the enemy  
I will try one last time  
Are you listening to me?  
I will fight the last fight

I am not your enemy  
I am not your, not your enemy  
I am not your enemy
