Every Prayer

Israel Houghton

I heard 'em say He brought me from a mighty long way
And now today I can testify that I believe it
And on my way I realized He's the one who kept me
When the storms of life arise, sleepless nights and desperate cries
He has captured every tear assuring me He hearsEvery prayer, waiting on the answer only to discover He is near
And He hears every prayer for He has done great things
And I believe He's a God that always answers prayerI heard 'em say the prayers of the righteous availeth much
And now today I can testify that I believe it
Now on my way I wanna let you know that He will keep you
When the storms of life arise, sleepless nights and desperate cries
He's captured every tear assuring me that He hearsEvery prayer, waiting on the answer only to discover He is near
And He hears every prayer for He has done great things
I believe He's a God that always answers prayerDon't despise the tears you've cried
Or the prayers that you have prayed
Heaven heard your every word
And the answer, the answer's on the wayI heard 'em say there is an answer on the way
My God has done so many great things, great things
Hold on and you will see there is an answer on the way
My God has done so many great things, great thingsOh, there is an answer on the way
My God has done so many great things, great things
Hold on, hold on, there is an answer on the way
My God has done so many great things, great thingsHold on, hold on, hold on, hold on
Hold on, hold on, hold on, hold on
Hold on, hold on, hold on, hold on
You can make it, you can make it
You can make it for he has done great thingsI believe He's a God that always
I believe He's a God that always
I believe He's a God who always answers prayers
Yes, He does
