

# Break

## Three Days Grace

Tonight my head is spinning  
I need something to pick me up  
I've tried but nothing is working  
I won't stop, I won't say I've had enough  
Tonight I start the fire  
Tonight I break away  
Break away from everybody  
Break away from everything  
If you can't stand the way this place is  
Take yourself to higher places  
At night I feel like a vampire  
It's not right but I just can't give it up  
I'll try to get myself higher  
Let's go we're gonna light it up  
Tonight we start the fire  
Tonight we break away  
Break away from everybody  
Break away from everything  
If you can't stand the way this place is  
Take yourself to higher places  
If you can't stand the way this place is  
Take yourself to higher places  
Break away from everybody  
Break away from everything  
If you can't stand the way this place is  
Take yourself to higher places  
Higher places, to higher places  
Higher places, take yourself to higher places
