

More Time To Kill (Rehearsal Demo)

Lamb of God

I just got the news today you were dying,
Hot Damn! Were already partying.
But please, Before you have to leave,
Let me tell you these last few things. Suffer, unto me
Indulge, my every need. I don't want to meet you halfway
I've always despised that fucking place,
I'm not offering you my way
I'm kicking you down the fucking highway. Get one thing straight from the get go,
I truly never gave a fuck about you
I never have and I never will,
Each day you breathe its more time to kill. Fuck Your World Up Your last breathe,
I'll take it now
Your last breathe,
I'll rip it away
And haunt your dreams in your final sleep Get one thing straight from the get go,
I truly never gave a fuck about you
I never have and I never will,
Each day you breathe its more time to kill
I never have and I never will
