

Rat On a Sinking Ship

Dog Fashion Disco

another dead end,
amidst the skeletons
another martyr
is a rat on a sinking shipwe love the odysseys
and menstruating on
another victim is a rat on a sinking shipthey prayed
to calm the ocean
but the sea only swelled
capsized,
swallow the ocean
what did become of your tearsgruesome and ignorant
before they came to rest
another victim is a rat on a sinking shipleeches and heretics
pitiful parasites
another judas is a rat on a sinking shipthey prayed
to calm the ocean
but the sea only swelled
capsized,
swallow the ocean
what did become of your tearsi cant shoot, this smile off your face
i cannot look you in the eyes
i cant shoot, this smile off your face
i cannot look you in the eyes
