

To You I Belong

B*Witched

Rain fell down, you were there
I cried for you when I hurt my hand
Storm a rushing and wind was howling
I called for you, you were there Whenever dark turns to night
And all the dreams sing their song
In the daylight forever
To you I belong Beside the sea where the waves broke
I drew a heart for you in the sand
In fields where streams turn to rivers
I ran to you, you were there Whenever dark turns to night
And all the dreams sing their song
In the daylight forever
To you I belong I ran to you, you were there Whenever the dark turns to night
And all the dreams sing their song
In the daylight forever
To you I belong
To you I belong
To you I belong
