

# Marchin On

## OneRepublic

For those days we felt like a mistake  
Those times when love's what you hate  
Somehow  
We keep marchin on For those nights when I couldn't be there  
I've made it harder to know that you know  
That somehow  
We'll keep movin on There's so many wars we fought  
There's so many things we're not  
But with what we have, I promise you that  
We're marchin on  
We're marchin on  
We're marchin on For all of the plans we've made  
There isn't a flag I'd wave  
Don't care if we bend, I'd sink us to swim  
We're marchin on  
We're marchin on  
We're marchin on For those doubts that swirl all around us  
For those lives that tear at the seams  
We know  
We're not what we've seen For this dance we'll move with each other  
There ain't no other step than one foot  
Right in front of the other There's so many wars we fought  
There's so many things we're not  
But with what we have, I promise you that  
We're marchin on  
We're marchin on  
We're marchin on For all of the plans we've made  
There isn't a flag I'd wave  
Don't care if we bend, I'd sink us to swim  
We're marching on  
We're marching on  
We're marching on Right, right, right, right left  
Right, right, right, right left  
Right, right, right  
We're marching on We'll have the days we break  
And we'll have the scars to prove it  
We'll have the bonds that we save  
But we'll have the heart not to lose it For all of the times we've stopped  
For all of the things I'm not We put one foot in front of the other

We move like we ain't got no other  
We go where we go  
We're marchin on  
Marchin on There's so many wars we fought  
There's so many things we're not  
But with what we have, I promise you that  
We're marchin on  
We're marchin on  
We're marchin on Right, right, right, right left  
Right, right, right, right left  
Right, right, right  
We're marchin on Right, right, right, right left  
Right, right, right, right left  
Right, right, right  
We're marchin on
