

Wickedness of Man

Trouble

Man was not created for hate
Deceitful minds plotting revenge
We are cast with eternal fate
Share your loveLife is short, sometimes hell
Empty hearts full with sin
We are doomed the message will tell
Share your loveWicked man, find peace of mind
Wicked man, find love for mankindWar and sin, will never win
Peace and love, will rise us up above
Life or death, depends upon oneself
Heaven and hell
