I Need You

Rock Kills Kid

Say hey, over there
I need you
Hey, over there
I need youHey, over there
I need you
Hey, over there
I need youGet on, get in
Prove your love, get over yourself
Stay close, don't stray,
Don't let go
Don't leave me this wayI need you, don't let me down, aah
I need you, don't let me down, aaaaaahHey, over there
I need you
Hey, over there
I need youInside my head
To be without you would tear it apart
With no sleep and no one
Don't let go, get over yourselfI need you, don't let me down, aah
I need you, don't let me down, aahHey, over there
I need you
Hey, over there
I need youHow could you leave me, hanging by a string?
How could you be so false, so cruel to me?
How could a person be so immature?
How could you push aside my every word?
How could you?Hey, over there
I need you
Hey, over there
I need you (How could you?)Hey, over there
I need you
Hey, over there
I need youI need you, don't let me down, aah
I need you, don't let me down, aah
I need you, don't let me downI need you, don't let me down...
