

# If I Were You (New Kids On the Rave Remix)

Candee Jay

If I were you  
I would never let me go  
If I were you  
I would always love me so  
I can't play your part in life  
But I would surely walk my way  
I cannot think the way you think  
But I would never go away  
You can trust me when I say  
That I will always be for real  
You can always count on me  
No matter how alone you feel  
If I were you  
I would never let me go  
If I were you  
I would always love me so  
If I were you  
I would never  
I would always  
I can't tell you what to do  
I can only hope for more  
More decisions to be good  
Like the way they were before  
I can't dream the things you dream  
Cause I would not know where to start  
Life is never what it seems  
When two souls are far apart  
I don't want to know  
How it feels to lose a friend  
And if I were you  
I would never leave again  
If I were you  
I would never let me go  
If I were you  
I would always love me so  
If I were you  
If I were you  
I would never let me go  
If I were you

I would always love me so  
If I were you
