

Love Is All Around

Joan Jett and the Blackhearts

Who can turn the world on with her smile?
Who can take a nothing day
and suddenly make it all seem worthwhile? Well, it's you girl and you should know it
with each glance and every little movement you show it Love is all around, no need to fake it
You can have the town, why don't you take it?
You're gonna make it after all How will you make it on your own?
this world is awfully big
and all this time you're all alone well it's time you started livin'
its time you let someone else do some giving love is all around, no need to fake it
you can have the town, why don't you take it?
you're gonna make it after all
you're gonna make it after all
