Sweet Vendetta

Melody Thornton

Melody Thornton:Oh tonight I'm craving a bite of blood
It ain't right hanging over my head ya tainted love
How could it be that all the love I had was in and out?
Oh tonight gonna be a fight ain't no giving up, ohJust like a wild horse my love is strong
I'll be willing to fight for that lovin' carry on
Just like the Phoenix leavin' my nest
I'll be willing to draw blood in my own defenseAnd that's why (you're my sweet vendetta)
Stab me in the back babe (you're my sweet vendetta)
And remove my heart the hard way (you're my sweet vendetta)
That's why I am never letting go (you're my sweet vendetta)
I'm coming for you baby you don't get to love no moreThere's a line and babe I see it growing thin, hey
When the love and lovin' ends and rage begins
Believe me baby!Just like a wild horse my love is strong
I'll be willing to fight for this love will carry on, babe
Just like a Phoenix leaving my nest
I'll be willing to draw blood in my own defenseAnd that's why (you're my sweet vendetta)
Stab me in the back babe (you're my sweet vendetta)
And remove my heart the hard way (you're my sweet vendetta)
That's why I am never letting go (you're my sweet vendetta)
I'm coming for you baby you don't get to love no moreOoOoOooOoo
No more coming for you
Coming for you
'Cuz you live amongst t the haunted babyThat's why (you're my sweet vendetta)
Stab me in the back (you're my sweet vendetta)
And stole my heart the hard way (you're my sweet vendetta)
That's why I am never letting go (you're my sweet vendetta)
I am coming for you baby you don't get to love no more
No I won't let go, I won't let go!
Sweet baby, your my sweet (you're my sweet vendetta)
You don't to love no more
OoOoOoOoO
