

# Drum Talk

## Creation Rebel

whenever i want some company  
whenever i need a song to play  
whenever my love is sitting by me  
and when i can't find the words to say i let the drums do the talking when i can do with some conversation  
whenever I'm deep in sorrow or pain  
when i'm in need of an explanation  
and when i've feelings that i can't explain i let the drums do the talking
