

# Gimme Your Love

## The Teens

Got to gimme your love  
Got to give it up  
Got to gimme your love  
Just cant get enoughI said gimme the love that I need so bad  
Cause girl, without you, Im, oh, so sad  
I never want to be without you  
Without you, girl, I dont know what Id doGot to gimme your love  
Got to give it up  
Got to gimme your love  
Just cant get enoughGimme your love, I want it  
Gimme your love, I need it  
Gimme your love, I want it  
Gimme your loveYou are the one for me now, baby  
And Im the one for you  
Whenever Im without you, darling  
I dont know what to doYou got me, girl and you know it  
You got me, girl, dont blow it  
I got to tell you just how I feel  
Cause all these feelings are all for realGimme your love, I want it  
Gimme your love, I need it  
Gimme your love, I want it  
Gimme your love  
[Incomprehensible]Every night and every day, baby  
Im thinking of you  
I would die if you left me, darling  
Tell me, oh, what should I doYou got me, girl and you know it  
You got me, girl, dont blow it  
I just got to let you know  
I could never let you goGimme your love, I want it  
Gimme your love, I need it  
Gimme your love, I want it  
Gimme your loveI said gimme the love that I need so bad  
Cause, girl, without you, Im, oh, so sad  
I never want to be without you  
Without you, girl, I dont know what Id doIf I had the world, girl, Id give it to you  
I promise that I will always be true  
Now let me get right down to the point  
What Im trying to say is Im simply the jointGive me your love, girl, uh, give me a kiss  
This is something you should not miss

And girl, dont make a big mistake  
Cause this is something my heart just cannot takeWhat Im trying to say  
Is Im the one for you  
Just cant get enoughGimme your love, I want it  
Gimme your love, I need it  
Gimme your love, I want it  
Gimme your loveGimme your love, I want it  
Gimme your love, I need it  
Gimme your love, I want it  
Gimme your love
