

# Delight and Angers (Instrumental)

## In Flames

Everyday takes figuring out how to live,  
Sometimes it feels like a mistake,  
Sometimes its a winners parade,  
Delight and angers,  
I guess thats the way its supposed to be...[Chorus]  
Please heal me, I cant sleep  
Thought I was unbreakable, but this is killing me  
Call me, everything  
Make me fell unbreakable, now you set me freeI feel the fear takes hold  
Afraid this hell I create is my own  
Come my fatigueness, I cant take it anymore  
This used to be my own world, but now I've lost control[Chorus]Chasing leftovers,  
Under the fading sun,  
Searching for shelter,  
I feel my time has come[Chorus]
