

# No More Words (Re-Recorded / Remastered)

## Berlin

You're talking, it all sounds fair  
You promise your love, how much you care  
I'm still listening and still unsure  
Your actions are lacking, nothing is clear  
No more words  
You're telling me you love me while you're looking away  
No more words, no more words  
And no more promises of love  
Remember when the words were new  
They carried a meaning, a feeling so true  
But I'm looking for a long romance  
Not a picture of passion or one time chance  
No more words  
You're telling me you love me while you're looking away  
No more words, no more words  
And no more promises of love  
Well don't fool your self  
Your empty passion won't satisfy me  
I know, so don't pretend that you want me  
You don't want me  
No more words  
You're telling me you love me while you're looking away  
No more words, no more words  
And no more promises of love  
We make love, it's all the same  
Your eyes show nothing, no lover's flame  
But don't promise we can work it out  
You can leave right now if you're feeling doubt  
No more words  
You're telling me you love me while you're looking away  
No more words, no more words  
And no more promises of love  
No more words  
You're telling me you love me, you're looking away  
No more words, no more words  
And no more promises of love  
No more words (and no more promises)  
No more words, and no more promises of love  
No more words (and no more promises)  
No more words, and no more promises of love
