

Don't You Want to Feel It (For Yourself)

Stacy Lattisaw

[Chorus]

Don't you want to feel it
For yourself
Don't you want to feel it
For yourself
Don't you want to feel it
For yourself
Don't you want to feel it
For yourself

Come every Saturday
I get my dancin' shoes
Dancin' the night away
It helps me lose my blues
'Cause boy since you left me
Life just ain't the same
Oh no, no, no
Hoping you'd come back
Into my arms again, Hey!

[Repeat Chorus]

Boy, you'll be watching me
With envy your disguise
If only you'd let me take
The sadness from your eyes
There's nothing to lose
No reason to refrain
'Cause ooh, when we're dancin'
You're all mine
It's so fine
And we're lovin' once again, Hey!

[Chorus]

[Repeat 2nd verse]

[Chorus]
