

# Lemuria (Live in Miskolc)

## Therion

[Lyrics by Thomas Karlsson]

[Music by Christofer Johnsson]In the ocean, deep down

Under raging waves, wrapped in memories, you'll find

Wrecks of stately ships, they all went astrayCaptain, did you find

Land of Mu, Eldorado for the seaman?

Or did you sink in dreams (and) lose your ship

In the Sirens' symphony?When the sailman's sailing away

He shows that the dream of Lemuria is true

A land lost he will find again

Hear the call from the depth of the anemone song

Do you dare to enter the ship?

Hear the call from below of an underwater world

Land of Mu is close to the stars

In the arms of the sea you will live as hypnotizedCall of Narayana, the seven-headed on

Lemuria, rise!When the sailman's sailing away

He shows that the dream of Lemuria is true

A land lost he will find again

Hear the call from the depth of the anemone song

Do you dare to enter the ship?

Hear the call from below of an underwater world

Land of Mu is close to the stars

In the arms of the sea you will live as hypnotized
