Everybody's Got To Learn Sometime

Zucchero

Change your heart, look around you
Change your heart, it will astound you
I need your loving like the sunshine

Everybody's got to learn sometime
Everybody's got to learn sometime
Everybody's got learn sometime

Change your heart, look around you
Change your heart, it will astound you
I need your loving like the sunshine

Everybody's got to learn sometime
Everybody's got to learn sometime
Everybody's got to learn sometime

I need you my love
Yeah, I need your loving like the sunshine

Everybody's got to learn sometime
Everybody's got to learn sometime
Everybody's got to learn sometime

Everybody's got to learn sometime
Everybody's got to learn sometime
Everybody's got to learn sometime
