When I Look Into Your Eyes

Collage

I see the weather when I look in your eyes
you're all Ive ever wanted I always want you to be mine
lets make a promise til the end of time
we'll always be together
and our love will never die

so here we are face to face, and heart to heart
I want you to know we will never be apart
now I believe that wishes can come true
cause I see my whole world, I see it all in you

when I look into your eyes
I can see how much I love you
and it makes me realize
when I look into your eyes
I see all my dreams come true, when I look into your eyes

Ive looked for you all of my life
now that I found you we will never say goodbye
cant stop this feeling and theres nothing I cant do
cause I see my whole world I see it all in you

when I look into your eyes
I can see how much I love you
and it makes me realize
when I look into your eyes
I see all my dreams come true, when I look into your eyes

so here we are face to face, and heart to heart
I want you to know we will never be apart
now I believe that wishes can come true
cause I see my whole world, I see it all in you

when I look into your eyes
I can see how much I love you
and it makes me realize
when I look into your eyes
I see all my dreams come true, when I look into your eyes
