Where Do We Go From Here

Incognito

Na na na na na na na na na hey
Na na na na na na na na na hey
Na na na na na na na na na heyWithout you baby
There's no love in my life no
My head's been spinnin'
(Spinnin')
These small cuts like a knife
Oh motherWithout you baby
(Without you)
My lonely heart can't find a way
(Find a way)
My whole world's fallin'
Apart when you go runnin' awayI just wanna know where we go from here
Could this be the end I fear?
I just wanna know where
Where do we go from hereNa na na na na na na na na hey
Na na na na na na na na na hey
I just wanna know where
Where do we go from hereWe both know that it
Don't matter who's wrong or right
(Who's wrong or right)
Just as long as we feel the yearnin' insideI just wanna know where we go from here
Could this be the end I fear?
I just wanna know where
Where do we go from hereNa na na na na na na na na hey
Na na na na na na na na na hey
I just wanna know where
Where do we go from hereWithout you baby
My lonely heart can't find a way
Don't you know my world is falling
Apart when you go runnin' away?I just wanna know where we go from here
Could this be the end I fear?
I just wanna know where
Where do we go from hereNa na na na na na na na na hey
Na na na na na na na na na hey
I just wanna know, where
Where do we go from hereNa na na na na na na na na hey
Na na na na na na na na na hey
Na na na na na na na na na hey
