Wanna Be a Stranger

Justin Townes Earle

Don't wanna walk away but
I'm tired of acting in anger
Too tired to even try
I just wanna be a strangerAsked my baby did she love me
She said, "Ask me later"
Didn't even say goodbye now
I just wanna be a strangerWhen I was young I'd drink
My whiskey straight, no chaser
That did't drown the pain now
I just wanna be a strangerI've been running all my life
I could've been a master of disguise
Looking for another geographic change
Standing at the station waiting for the rainNo, my heart didn't break
It tore in two like paper
Not even shadows can hide
In the eyes of a stranger
In the eyes of a stanger
