Trailers for sale
Trailers for sale
Trailers for sale I ain't got no cigarettes
It takes four hours of pushin' broom
To buy a four-by-twelve two-bit room
I'm a man of means, by no means
King of the road Trailers for sale or rent
Rooms to let, fifty cents
No cars, no pool, no pets
I ain't got no cigarettes
It takes four hours of pushin' broom
To buy a four-by-twelve two-bit room
I'm a man of means, by no means
King of the road It takes four hours of pushin' broom
To buy a four-by-twelve two-bit room
I'm a man of means, by no means
King of the road It takes four hours of pushin' broom
To buy a four-by-twelve two-bit room
I'm a man of means, by no means
King of the road Trailers for sale or rent
Rooms to let, fifty cents
No cars, no pool, no pets
I ain't got no cigarettes
It takes four hours of pushin' broom
To buy a four-by-twelve two-bit room
I'm a man of means, by no means
King of the road
