

Go (Too Greezey & Paralloyd D&B Remix)

Delilah

I've been waiting for you
It's been so long
I knew just what I would do
When I heard your song
The next thing I felt was you
Holding me close
What am I gonna do
I let myself go Nothing left to say
Take my breath away
Whispering your name
Tie me up in chains
No one puts it down like me Strength I can't ignore
Make me beg for more
Climbing up the walls
Banging down the doors
Knowing that you hear my scream But oooh your love's so cruel
You make wanna go, go, go, go, go oooh
Oooh all the things you do
You make me wanna go, go, go, go, go oooh Captured effortlessly
That's the way it was
Happened so naturally
I did not know it was love You fill my heart with a kiss
You give me freedom
You knew I could not resist
I needed someone Nothing left to say
Take my breath away
Whispering your name
Tie me up in chains
No one puts it down like me Strength I can't ignore
Make me beg for more
Climbing up the walls
Banging down the doors
Knowing that you hear my scream But oooh your love's so cruel
You make wanna go, go, go, go, go oooh
Oooh all the things you do
You make me wanna go, go, go, go, go oooh Because who are you?
To make me oohoh
And it's you-ooohhhh
Ay-ooohhh

AhhhhAnd you go, and you go
Oooh your loves so cruel
You make wanna go, go, go, go, go oooh
Oooh all the things you do
You make me wanna go, go, go, go, go oooh
