

# Move In A Little Closer, Baby

## Mama Cass

When your world's closing in  
And there's no place to hide  
And you're needing a friend  
    To be there, at your side  
    Send a message to me  
    I'll arrive and you'll see  
    Whether you're right or wrong  
    This is where you belong  
Give it a try and you'll seeMove in a little closer, baby  
    You've got to keep me closer, baby  
    Come in a little closer, baby  
    Together, we can make it happen  
Wait and seeWhen your troubles arrive  
    Pouring down from the sky  
    And you're feeling the down  
You don't know what to doGive a holler to me  
    I'm the one that you need  
    Reach for my helping hand  
    Then you will understand  
How simplified it can beMove in a little closer, baby  
    You've got to keep me closer, baby  
    Come in a little closer, baby  
    Together, we can make it happen  
Wait and seeMove in a little closer, baby  
    You've got to keep me closer, baby  
    Come in a little closer, baby  
    Together, we can make it happen  
Wait and seeMove in a little closer, baby  
    You've got to keep me closer, baby  
    Come in a little closer, baby ...
