

What About Me

Gerald Levert

What about me baby
What about our house
(House)
What about our home
(Home)
What about our family
(Family)
Yeah, yeah
(Yeah, yeah)
Yeah
(Yeah)Early one Sunday morning
I woke to see my baby missing from bed
(Yes I did, yes I did)
And lying there on her pillow
It was a letter and it read
(Ooh girl, yeah, yeah)We just don't talk like we used to
We just don't do things we used to do, no, no
So I decided to just move on
'Cause the bond we once shared is no longer strong(What about)
What about our kids
(What about, what about)
What about our home
What about those dreams that we shared
Girl this isn't fair
(This isn't fair no, no)What about our love
What about our joy
What about our dear family
(What about, what about)
Ooh what about me
(Ooh what about)As I read on it just brought me down
And I questioned myself like where, when, how
She could leave me this way, she didn't fuss or complain
And I'm thinking she's fine but she knew all the timeShe would leave us behind
Broke that promise, she lied
Now my kids teary eyed
Girl you could have compromisedWhat about our kids
What about our home
(What about, what about)
What about those dreams that we shared

Girl this isn't fair
(This isn't fair no, no, no, no, no, no)What about our love
What about our joy
What about our dear family
Ooh, what about meWhy
(Why)
After all this time
(All this time)
What was on your mind
(On your mind)
You didn't show a sign
You weren't happy girl
(Happy)
Now you crushed our world
And you let go everything(What about our)
What about our kids
What about our home
What about those dreams that we shared
Girl this isn't fair
(Yeah no, no)What about our love
What about our joy
(What about)
What about our dear family
Ooh, what about meWhat about our kids
What about our home
(What about, what about)
What about those dreams that we shared
Girl this isn't fair(Oh what about our love)
What about our love
(What about)
What about our joy
What about our dear family
(What about our love)
Ooh, what about meWhat about me, yeah yeah
What about, what about
(Said what about)
What about me
(What about our)What about our house
What about our kids
What about our family, yeah, yeah, oh
