

# My Enemy

**Tanita Tikaram**

If I could fly to find out where my place is  
Find out where my place is above the skies  
I long to be in flight I would hide the tired river's eyes  
The lonely mountain cries out to the sea To lift the sorrow from the world  
To lift the sorrow from the world And I am blind with every certainty  
It's all that I believe  
My enemy  
I long to be set free  
To leave the sorrow in this world  
To leave the sorrow in this world
