

I Wanna Be No Hero

Accept

You wake me up, you make me glad
Even if I'm really out of control
You stand by me when I stumble and fall I'm confused tonight, I'm feeling blue
You'll find a way to help me through
Want you tonight 'cause I feel time is right
Need your sleazy love deep down inside I can't give you nothing but love babe
Tried to change, but it's pretty hard
I want to be no hero, but I know I would die for you
I want to be no hero, but I'm ready to fight for you
I want to be no hero, oh, but I can give you love Life is a mess, oh yeah I know that living's not easy with me
Watching my love
You drive away all my sorrows and pains
My love is strong, more than a game I want to be no hero, need you tonight
I want to be no hero, stay by my side
I want to be no hero, need you tonight
I want to be no hero, oh but I can give you love
