

# Drive Like Pirates

## Don DiLego

Oh, stand and deliver  
Until the morning carries you home  
Try our your patience  
And keep your feet still, buried in the ground  
Last call, where we going to go?  
Last call, before you  
Show me the rising sun  
Hold on until it's done  
Look out and see yourself  
And soon enough you'll know, know, know  
Scream out, and tell your stories  
Until your voice can't, carry a song  
Drive on drive, like a pirate  
'Cause I've got a feeling, you've got a golden soul  
Last call, where we going to go?  
Last call, before you  
Show me the rising sun  
Hold on until it's done  
Look out and see yourself  
And soon enough you'll know, know, know
