

# Losing My Mind

Randy

Well, I'm on a mission  
What I try to find  
Is a decent explanation  
To the darkness in my mind Tell me Mr. Machine gun  
Are you the man behind?  
Lady law and order  
And the darkness in my mind I'm alone, yeah, I'm by myself  
Yeah, I'm by myself  
Yeah, I'm by myself  
I'm alone, yeah, I'm by myself  
Yeah, I'm by myself  
Yeah, I'm by myself Hell, I'm losing my mind  
I'm losing my mind  
I'm losing my mind  
Losing my mind  
I'm losing my mind  
I'm losing my mind Tell me Dr. Frankenstein  
You the man behind?  
The monster in my closet  
That I can't seem to find Tell me now sweet mama Roux  
Sure you got it right?  
The voodoo that you threw me  
Seems to keep me up all night I'm alone, yeah, I'm by myself  
Yeah, I'm by myself  
Yeah, I'm by myself  
I'm alone, yeah, I'm by myself  
Yeah, I'm by myself  
Yeah, I'm by myself And I'm losing my mind  
I'm losing my mind  
I'm losing my mind  
Losing my mind  
I'm losing my mind  
I'm losing my mind Losing my mind  
I'm losing my mind  
I'm losing my mind  
Losing my mind  
I'm losing my mind  
I'm losing my mind My suspicious, vicious, pissious mind  
My suspicious, vicious, pissious mind

My suspicious, vicious, pissious mind  
My suspicious, vicious, pissious mind  
Fucked up mind
