Incredible Loudness (Old Demo)

Tankard

We want headbang every night
C'mon turn out the light
Heavy concerts and horrible parties
Dying by 200 phone
Too loud you're dying playin' Heavy Metal
Too loud you're dying playin' Heavy Metal
Wanna hear load and heavy
Ready for destroying really
Ears fall down from philistine
'Cause Venom plays in OdeonIncredible Loudness we want - that's hard, that's heavy
Playin' hard and loud we want - that's good, that's right
Incredible Loudness we want - that's hard, that's heavy
Playin' hard and loud we want - that's good, that's rightRunning free kill'em down
Let's play heavy with much rown
Dying whores and lying here
It's so loud it's shread your ear
Too loud you're dying playin' Heavy Metal
Too loud you're dying playin' Hard and Heavy
Drinking their blood tonight
It's a very very great delight
The reason why we do this
Is our incredible loudnessIncredible Loudness we want - that's hard, that's heavy
Playin' hard and loud we want - that's good, that's right
Incredible Loudness we want - that's hard, that's heavy
Playin' hard and loud we want - that's good, that's rightRunning free kill'em down
