

# Black Is Black

## Pop Tunes

Whoa, yeah  
I don't care what they all may think of me  
And I don't care if they all disagree  
I'm gonna stay true to the words  
My mama taught me  
And I'll carry them deep in my soul  
Black is black, white is white  
Wrong is wrong and right is right  
Every moment compromise  
Let your conscience be your guide  
Mama said always try  
With every choice  
You make in your life  
Well, I know when you  
Know what's right  
Just follow, follow your heart  
Follow your heart  
Sometimes I want to run and hide  
And just deny that voice inside  
But it's never under oath  
When you're standing  
In my life of the truth  
Nothing can get to you  
Black is black, white is white  
Wrong is wrong and right is right  
Every moment compromise  
Let your conscience be your guide  
Whoo, hey, yeah  
I don't care what they all  
May think of me and I don't care  
If they all may disagree  
I'm gonna stay true to the words  
My mama taught me  
And I'll carry them deep in my soul  
Black is black, white is white  
Wrong is wrong and right is right  
Every moment compromise  
Let your conscience be your guide  
Black is black, white is white

Wrong is wrong and right is right  
Every moment compromise  
Let your conscience be your guide  
Black is black  
White is white
