

DISBELIEF

Prong

The Ways Of Your Way I'm Lost In Disbelief
How Can You Breathe Freely And Look At What You See
The Space That You Tread What You Do
Perceive Your Objects Of Desire
I Know They're Not For Me Not Forgetting All The Crimes
All I Can Now Cry
Neither Nor The Lesson
Your World's Not Mine
Your World's Not Mine I See What I Touch
Burn In My Own Dreams No Feeling For Your Life
Your World Can't Be Seen
