# Just Because I Love You

## BC Camplight

Just because I love you
Doesn't mean I really do love you
And I mean love you
Went for an operation
Left in a town in the middle of nowhere
And I mean nowhere
nowhereI peaked
Higher than a rainbow
Such an ugly thing for a brother
Such an ugly thing for a brother to do
Now there's so little, so little, so little time
I stabbed her with my heart but the bitch wouldn't die
Just because I love you
Doesn't mean I really do love you
And I mean love you
Went for an operation
Left in a town in the middle of nowhere
And I mean nowhere
nowhereBlack hole
Blacker than a tire
Wider than the mouth of a river
Such an ugly girl for a brother to do
Now there's so little, so little, so little time
I stabbed her with my heart but the bitch bled me dry
I'm so lonely and broken?
When the tides went away never came back in
Just because I love you
Doesn't mean I really do love you
And I mean love you
Went for an operation
Left in a town in the middle of nowhere
And I mean nowhere
nowhereJust because I love you
Doesn't mean I love you
Just because I love you
Doesn't mean I love youJust because I love you
Doesn't mean I love you
Just because I love you
Doesn't mean I love youJust because I love you

Doesn't mean I love you
Just because I love you
Doesn't mean that I love youJust - because I love you
Doesn't mean I love you
Just because I love you
Doesn't mean I love you
