

# Hard Rock Hallelujah (Finland)

Lordi

Hard Rock Hallelujah!The saints are crippled  
On this sinners' night  
Lost are the lambs with no guiding lightThe walls come down like thunder  
The rocks about to roll  
It's The Arockalypse  
Now bare your soulAll we need is lightning  
With power and might  
Striking down the prophets of false  
As the moon is rising  
Give us the sign  
Now let us rise up in aweRock 'n roll angels bring thyn hard rock hallelujah  
Demons and angels all in one have arrived  
Rock 'n roll angels bring thyn hard rock hallelujah  
In God's creation supernatural highThe true believers  
Thou shall be saved  
Brothers and sisters keep strong in the faith  
On the day of Rockoning  
It's who dares, wins  
You will see the jokers soon'll be the new kingsAll we need is lightning  
With power and might  
Striking down the prophets of false  
As the moon is rising  
Give us the sign  
Now let us rise up in aweRock 'n roll angels bring thyn hard rock hallelujah  
Demons and angels all in one have arrived  
Rock 'n roll angels bring thyn hard rock hallelujah  
In God's creation supernatural highWings on my back  
I got horns on my head  
My fangs are sharp  
And my eyes are red  
Not quite an angel  
Or the one that fell  
Now choose to join us or go straight to HellHard Rock Hallelujah!Rock 'n roll angels bring thyn hard rock  
hallelujah  
Demons and angels all in one have arrived  
Rock 'n roll angels bring thyn hard rock hallelujah  
In God's creation supernatural high
