No Doubt Salvation

The Purple Hulls

Donâ€™t give me that hope so, think so, maybe so salvation.
The kind that will leave me here with no consolation.
I want the kind that will turn my life around.
Just give me that no doubt, worked out, got to shout salvation.
Paid up prayed up, Next to kin relation
That kind that Jesus paid on Calvary.

Well some folks live their lives defeated always worrying about their souls.
By doing good deeds, and maybe giving some money they hope to reach heavenâ€™s shore.
But the bible says put your faith in Jesus, get under that crimson flow.
Itâ€™ll wash away your sins, put you in the fatherâ€™s hand and put the joy down in your soul

Donâ€™t give me that hope so, think so, maybe so salvation.
The kind that will leave me here with no consolation.
I want the kind that will turn my life around.
Just give me that no doubt, worked out, got to shout salvation.
Paid up prayed up, Next to kin relation
That kind that Jesus paid on Calvary.

Now the plan that god had from the beginning is the same one we need today. So give your heart and soul to Jesus. Brother, heâ€™s the only way.

Donâ€™t give me that hope so, think so, maybe so salvation.
The kind that will leave me here with no consolation.
I want the kind that will turn my life around.
Just give me that no doubt, worked out, got to shout salvation.
Paid up prayed up, Next to kin relation
That kind that Jesus paid on Calvary.
