

Shower of Love

Tabea

When I was young, I did not know you
I lived my life without reflecting - no matter what
 I did never care about you
Did not care for other people - not one thought
 Stupid and blind
 I was a kind of fool
 Then you arranged
That my life changed, I feel born new
You are so giant, so enormous, so gigantic, superior

You shower me with love
 More than enough
People cannot offer me the half
You lavish me with your grace and blessings for free
 A gift, so undeserved for me

It was late, when you have called me
I wondered why you chose me â€“ why just me
 Stupid and blind
 I was a kind of fool
 Then you arranged
That my life changed, I feel born new
You are so giant, so enormous, so gigantic, superior

You shower me with love
 More than enough
People cannot offer me the half
You lavish me with your grace and blessings for free
 A gift, so undeserved for me

IÂ’m not a very special person
Only average, not much talent â€“ as you know
 Not enough to get excited
 My ability and powerÂ’s only low

You shower me with love
 More than enough
People cannot offer me the half
You lavish me with your grace and blessings for free

A gift, so undeserved for me, I see

YouÂ're loving me with all my faults

God, father, yes, IÂ'll follow all your calls

You lavish me with your grace and blessings for free

A gift, so undeserved for me
