Insomnia

Silverchair

Tomorrow will be another part of yesterday
And yesterday will be another part
Of the day before
Wait, I hear another song, insomnia
About the days I wasn?t tired
And doing that fun retro look
I?ll stay awake for days
I?ll stay awake for days
But I?ll sit awake in a daze anyway
I?m a maze of chains
Hey, don?t use the term 'Accommodation'
I won?t be there for that
And that will never be there for me
And I need to get some sleep slash resolution
About the days I wasn?t tired
And doing that fun retro thing
I?ll stay awake for days
I?ll stay awake for days
But I?ll sit awake in a daze anyway
I?m a maze of chains
Over in the corner of a circle
I sleep behind this bedroom
I see fun retro look
Dine behind a suitcase in an empty room
It?s time to leave millions behind
Hey, that?s what I took from retro look
I?ll stay awake for days
I?ll stay awake for days
But I?ll sit awake in a daze anyway
I?m a maze of chains
I?ll stay awake for days
I?ll stay awake for days
But I?ll sit awake in a daze anyway
I?m a maze of chains
