

# Naked (Dj Jorge Lima Remix)

## Spice Girls

Naivety and childhood left behind deprived of the goodness of mankind  
past encounters have made her strong strong enough to carry on and on  
Undress you with her eyes uncover the truth from the lies  
Strip you down don't need to care lights are low exposed and bareNaked  
Nothing but a smile upon her face  
Naked  
She wants to play seek and hide no one to hide behind  
Naked  
This child has fallen from grace  
Naked  
Don't be afraid to stare she is only nakedShe knows exactly what to do with men like you,  
Inside out in her mind there's no doubt where you're coming from  
mystery will turn you on.Undress you with her eyes, uncover the truth from the lies,  
Strip you down don't need to care, lights are low exposed and bareNaked  
Nothing but a smile upon her face  
Naked  
She wants to play seek and hide no one to hide behind  
Naked  
This child has fallen from grace  
Naked  
Don't be afraid to stare she is only nakedHello, it's me  
I thought you'd understand  
Well maybe I should have kept my mouth shut  
I keep seeing such a pretty picture  
I'd rather be hated than pitied  
Maybe I should have left it to your imagination  
I just want to be meThis angel's dirty face is sore, holding on to what she had before.  
Not sharing secrets with any old fool, now she's gonna keep her cool,  
She wants to get naked  
She wants to get nakedNaked  
Nothing but a smile upon her face  
Naked  
She wants to play seek and hide no one to hide behind  
Naked  
This child has fallen from grace  
Naked  
Don't be afraid to stare she is only naked  
Naked  
Nothing but a smile upon her face

Naked  
She wants to play seek and hide no one to hide behind  
Naked  
This child has fallen from grace  
Naked  
Don't be afraid to stare she is only naked
