

# You And Me (We Wanted It All)

Rachelle Ann Go

you and me ...we wanted it all..we wanted it all...passion without pain..sunshine without rainy days..we wanted  
it always..

you and me ...we reached for the skies...the limits was high...never giving in...certain we will win the prize...i  
should have seen it in your eyes...

stanza:1 look how all our dreams came true...you see how i got me...you see how you got you...and after all just  
one thing died..a little thing called loved..we used to feel inside.

chorus:you and me..where not like the rest ..we once were the best...back when we were young how did we  
become so smart.. and learn to break each others hearts..(cause we almost made it....we almost made it)

repeat stanza

repeat chorus

you and me...were not like the rest ...we once were the best

but look what we became isnt it a crying shame..that we almost made it..that we almost made it ...but we wanted  
it all baby you and me ..we wanted it all..
