Enter The Young

The Association

Here they come
Here they come
Here they come, yeah
Some are walking, some are riding
Here they come, yeah
And some are flying, some just gliding
Released after years of being kept in hiding
They're climbing up the ladder rung by rung

[CHORUS]
Enter the young, yeah
Yeah, they've learned how to think
Enter the young, yeah
More than you think they think
Not only learned to think, but to care
Not only learned to think, but to dare
Enter the young

Yeah, here they come
some with questions, some decisions
Here they come
And some with facts and some with visions
Of a place to multiply without the use of divisions
To win a prize that no one's ever won

[CHORUS]

Here they come, yeah
Some are laughing, some are crying
Here they come
And some are doing, some are trying
Some are selling, some are buying
Some are living, some are dying
But demanding recognition one by one

[CHORUS]
