I've been.
Oh I've been waiting definitelyAnd my heart is here right next to meAnd I'm caught waiting in the rainx2
and I know and it *...wtf?*and I oh-oh-oh-I-I, oh-oh-oh-I-I-I-I
Hey hey you wanna playbut baby I can go go And every other day you're running over flowbut baby I'd implore you if I didn't know you but I'm paying for itx2
ooh ha huh ha huh ah huh ah huh

Baby I'd implore you, if I didn't know youbut I'm paying for it[
I hold on and I don't care what you say but the way it goes it's happening everyday I can't see straight *...?*
I hold on and I don't care what you say cause the way it goes it's happening everyday
Everyday x 5 day d-day d-day Everydayd-day d-dayEverydayd-day d-day
Hey hey you wanna play but baby I can go goand every other day you're running over flow-flowbaby I'd implore you if I didn't know you but I'm paying for itx2
