Sit At Your Feet

Catherine Mullins

Verse 1
I long to Sit at Your Feet Stay here a while
Lost in the moment with You
Breathe in your fragrance taste of your goodness
Know that Iâ€™ll not be denied

Pre-Chorus
All that is in me longs for Your glory
All that is in me cries

Chorus
How I love You
How I want You
How my soul cries for You

Bridge
Here I am Your beloved
Who values the price of your presence
Lost in the beauty of being
In the courts of the King
