Out Of Spite

Stutterfly

falling - harder than i feel.
realize - this pain is more than realcritisize - me for who i am.
don't threaten me. don't run away.
i will forgive you for judging and not taking my hand.
running - from myself.
cowardly is what i am.
sympathize - with my beliefs.
you don't give a damn.
ostrasize - out of spite.
i don't want to fight
