

Give Me the Keys (And I'll Drive You Crazy)

Huey Lewis & The News

Well I can see you've got your motor running
But don't you think you're movin' kinda slow
If you feel the way I feel and let me get behind the wheel
We don't need any destination baby, anywhere you wanna go Give me the keys and I'll drive you crazy
Give me the keys, I'll drive you out of your mind Honey we don't need no registration
And we don't need no license anymore
Just let me in the driver's side and we can take a ride
We don't need to ask directions baby, I know where you wanna go Give me the keys and I'll drive you crazy
Give me the keys, I'll drive you out of your mind
Give me those keys and I'll drive you crazy
Let me drive yours, I'll let you drive mine Maybe we'll just drive into the sunset
And ride around till who knows where or when
And when it gets a little dark we'll find a place to park
And then the sun comes up in the morning baby, do it all over again Give me the keys and I'll drive you crazy
Give me the keys, I'll drive you out of your mind
Give me those keys and I'll drive you crazy
Let me drive yours and I'll let you drive mine
Give me the keys baby and I'll drive you crazy
Give me, give me the keys, drive you out of your mind You just give me those keys
Gonna drive you out, gonna make you smile
[Incomprehensible]
Get out of my way, I'll drop you [Incomprehensible]
Drive you to the moon and back
