My Dilemma

Offbeats

You make me so upset sometimes
I feel like a could lose my mind
The conversation goes nowhere
Cause you're never gonna take me there
And I know what I know
And I know you're not good for me
Yeah I know what I know
And I know it's not meant to be
Here's my dilemma
One half of me wants you
And the other half wants to forget
My my my dilemma
From the moment I met you
I just can't get you out of head
And I tell myself to run from you
But I find myself attracted to my dilemma
My dilemma
It's you, it's you
You're eyes have told a thousand lies
But I believe them when they look in mine
I heard the rumours, but you won't come clean
I guess I'm hoping it's because of me
And I know what I know
And I know you're not good for me
Yeah I know what I know
And I know you're not meant to be

Here's my dilemma
One half of me wants ya
And the other half wants to forget
My my my dilemma
From the moment I met you
I just can't get you out of head
And I tell myself to run from you
But I find myself attracted to my dilemma
My dilemma
It's you, it's you
I could live without you
Your smile, your eyes

The way you make me feel inside
I could live without you
But I don't wanna
I don't wanna
You make me so upset sometimes
Here's my dilemma
One half of me wants you
And the other half wants forget
My my my dilemma
From the moment I met you
I just can't get you out of my head
And I tell myself to run from you
But I found myself attracted to my dilemma
My dilemma
It's you, it's you...
